

NEW AUSA INDUSTRY PARTNER PROGRAM

ACT NOW TO TAKE ADVANTAGE OF THE 2017 RATES!

Starting 1 January 2018, AUSA will be changing its industry membership categories in an effort to update, simplify and customize options for businesses and organizations of all sizes. Your company will be a 'Community Partner' of the Association of the United States Army under this new program (replacing the Corporate Member Program).

Your newest benefit includes discounts on advertising and postings in the AUSA Career Center. 5 and 10 member Community Partners will also be listed in our on-line Industry Guide. Please review the chart below to see all of the benefits of AUSA's Industry Partner Program. With these new changes, dues for membership will increase beginning on 1 January 2018, as shown below. You can take advantage of this early notice by renewing your membership at the current rate by 31 December 2017.

We appreciate your continued support of AUSA and look forward to working with you in the upcoming year.
